Homage - A Folk Concerto for Flute and Orchestra (1988) is folk-like in nature, although no actual material has been borrowed from folk music. The first movement is simple and unaffected with a few bursts of excitement and it leads to the second movement with no interruption. The latter is a cadenza-like solo for flute, free and expressive. The orchestra repeats throughout a four bar chord progression. The final movement is a frenzied dance, typical of the folk music of the Greek islands. However, somewhere along the way, some J.S. Bach creeps in uninvited. The concerto is dedicated to Dr. Everett Timm, past Dean of the LSU School of Music, as a personal tribute and token of appreciation for his numerous contributions to music in Baton Rouge. It is meant to be a musical portrait. This concerto was premiered on December 4, 1988 by flautist Eugenia Epperson and the Louisiana Sinfonietta under the direction of the composer.

The music of Dinos Constantinides has been performed throughout the world. He is the recipient of many grants, commissions and awards, including first prize in the Brooklyn College International Chamber Opera Competition, the First Midwest Chamber Opera Conference, and the Delius Composition Contest. He also received the American New Music Consortium Distinguished Service Award, the Glen Award of l'Ensemble of New York, several Meet the Composer grants, numerous ASCAP Standard Awards, and he was honored with a Distinguished Teacher White House Commission on Presidential Scholars.
